BASE ARM BACK

For pieces where a style code does not apply (such as arm styles on armless pieces), enter "0" in that position. For example, an Ottoman SKU (item #40) with Tapered Legs would be written as 9100-40. Only the Leg Style Code and the Item Number are needed because Arms and Backs do not apply in this case.

CHOOSE YOUR COMFORT

The 9000 series is Standard with foam cushion and fiber back. A Feather Down cushion and back upgrade is available for an additional charge.

VELCRO

Leather styles feature Velcro on the back side of the loose pillow backs. This method keeps the back cushions in place, as leather has a tendency to be slippery, causing them to slide down over the seat cushion.
